Welcome to the Convention!

Dear Friends of the California Groundwater Association:

We are looking forward to being at the MontBleu in S. Lake Tahoe, Nevada this year. We have lined up some new topics and revamped our vendor opportunities to make this event more intimate! Please take a moment to review the schedule within this flyer! You will notice courses that will help you in your day-to-day work, as well as help you in your business preparations and planning on how you may even retire!

PROFESSIONALISM

California Groundwater Association members are more than quality contractors. They are professionals dedicated to the water well industry and stewards of our water systems. The CGA Annual Conference emphasizes professionalism through continuing education, access to cutting edge technologies, and updates from the legislature and other regulatory authorities affecting your business.

DON'T FORGET TO VISIT VENDORS!!!

We are pleased to provide a lot of one-on-one interaction with our vendors. Be sure to be on hand on the 15th of October from Noon to 4:30 pm, and once again that night starting at 6:00 p.m through the end of the Banquet! Make sure to see all the technology in the

water well industry and experience California's largest gathering of well drilling suppliers and manufacturers and thank them for supporting CGA.

EARN YOUR CONTINUING EDUCATION UNITS

The CGA continues to look to improving our communication with not only our members, but the groundwater industry in California as a whole! YOU are a huge part of this and we look forward to continuing working with you and for you! Active associations rely on volunteers and we have a number of opportunities for involvement!
