## CGAA Activities at the 2022 Convention

The CGAA is planning a no host trip to the Bishop's Pumpkin Farm in Wheatland on Thursday, October 13th. The farm has local history and is a big attraction for this time of season. Train, wagons, and carousel rides are at the farm along with farm animals and zip-lines. Shopping and food are also at this venue so I am sure no one will leave hungry.

The group is planning to meet at 9:30 at the registration booth to carpool together. All are welcome to come and enjoy this event.

Please visit this site for any additional information.

Saturday, October 15th morning brunch at 10:00, with CGAA. Along with brunch our group will be doing what seems to be an annual craft project, game, and sharing stories with both new and old friends. This is always a fun event and we hope to see you.
