As we celebrate our 75th anniversary, it is our hope that you will join us at Harveys Lake Tahoe to continue to support the CGA and our efforts to provide the strongest voice possible on groundwater issues and our industry in California.

Participation is vital to continue to grow our voice and speak up for our industry.

Learn more about our continued efforts in person, as well as visit with the industry professionals that are on hand to exhibit, share knowledge, and advocate for our groundwater.

We look forward to seeing you in October!
