

# Member Benefit Programs

## How Can We Help You?

In addition to California's LARGEST online plan room, the Builders Exchange offers members a comprehensive portfolio of high quality programs and services to help our members grow their business and stretch their buying dollars.

## EMPLOYEE BENEFITS

**Group Medical** – Our dedicated Account Reps are here to help members both large and small tailor a benefits package for their employees. We are a one-stop shop and can help you design, enroll and administer a program with all available California options, including Covered California's SHOP.

## DISCOUNTS FOR EMPLOYEES

Your employees get member discounts too! Now you can enhance your benefit offering and help your employees save on useful programs and services.

- Auto & Home Insurance
- Legal Services
- Pet Insurance
- Employee Perks Program
- Provident Credit Union
- Identity Theft Protection

## ANCILLARY BENEFITS

Through our membership with the California Builders Exchanges (CBX), we are able to offer a diverse portfolio of ancillary benefits to our members with rates and features that they cannot buy on their own.

- Dental
- Vision
- Worksite Benefits
- Term Life
- Telemedicine
- Chiropractic & Acupuncture
- Identity Theft Protection
